TO WHOMEVER IT CONCERN

This is to inform that **Dr. M. Thippeswamy**, Assistant Professor, Department of Studies in Botany, Davangere University, Davanagere – 577002; Karnataka was actively involving in our research activities. The outcomes of results have been publishing in peer-reviewed journals. He is in consultation with me regarding abiotic stress tolerance studies. I am delighted to continue research activities through inter-institutional linkage in future.

This letter is issued on his request.
