Letter in Support of Collaborative Research

This collaborative agreement is established between Department of Studies in Botany, Davangere University, Shivagangotri, Davangere-577007, Karnataka, India and Yenepoya Research Centre, Yenepoya (Deemed to be University), Deralakatte, Mangalore - 575018, Karnataka, India. Under this agreement, a joint study titled "Synthesis, characterization and bioactivity of zinc oxide nanoparticles from *Mussaenda frondosa*" has been taken up by Dr. Manasa D. J. from Davangere University and Dr. Rekha P D and Dr. Ashwini Prabhu from Yenepoya Research Centre, Yenepoya (Deemed to be University). This collaboration has resulted in a joint publication in a reputed journal. We are hopeful of similar studies in future.
