LETTER OF COLLABORATION (MOU)

I am extremely pleased to collaborate with **Dr. Govindappa Melappa**, Professor of Department of Studies in Botany, Davangere University, Shivagangotri, Davangere-577 007, Karnataka, India who has been one of our collaborator in several research programs since 2012. Currently, our collaborations are in the areas of plant and microbial natural products, bioinformatics, agricultural biotechnology, bioinformatics, nanotechnology, and biological activities. Jointly, we have been publishing our collaborative work in journals with good impact factor.

Our collaboration and scientific idea exchange were very fruitful and I am of the opinion that this will continue in the coming years in relation to publication, conduction of conferences, exchange programmes, book chapters in above-specified areas.

Sincerely,

Dr. Manojkumar Arthikala
Profesor-Investigador Titular 'A' T.C
