Collaborative (MOU) Letter

Ref. :

Date : 22/10/2020

I am extremely pleased to support/ collaborate **Dr Govindappa Melappa**, Professor of Department of Studies in Botany, Davangere University, Shivagangotri, Davangere-577 007, Karnataka, India who has been working as one of our collaborator in many research groups since 2012. Our research collaborations on plant and microbial natural products, bioinformatics, agricultural biotechnology, bioinformatics, nanotechnology and biological activities will continue without interruption. Recently, we have published collaborative research results in impact factor journals continuously.

Finally, the collaboration and idea exchange was very fruitful and I am of the opinion that this will continue in coming years in related to publication, conduction of conferences, exchange programmes, book chapters in above mentioned specified areas.
