

Webinars organized:

Department conducted National level Webinar series “Biotechnology for Mankind”. Eminent speakers across India, from academic and corporate sector, addressed students and guided them for research and placements.

DAVANGERE UNIVERSITY
SHIVANGOTHRI, DAVANGERE
DEPARTMENT OF STUDIES IN BIOTECHNOLOGY & BIOSPARK (Biotechnology Forum)
ORGANISING
NATIONAL WEBINAR SERIES
On
“BIOTECHNOLOGY FOR MANKIND”
From 16th – 30th JUNE 2021

Chief Patron **Patron** **Patron**

Prof. Shanappa V Hale
Hon'ble Vice-Chancellor
Davangere University, Davangere

Prof. Gayatri Devaraja
Registrar
Davangere University, Davangere

Prof. Anitha H S
Registrar Evaluation
Davangere University, Davangere

Organizing Team

Prof. Gopinath S M
Chairman
Department of Biotechnology
Davangere University, Davangere

Dr. Seema J Patel
Associate Professor
Department of Biotechnology
Davangere University, Davangere

Dr. Niranjan M H
Associate Professor
Department of Biotechnology
Davangere University, Davangere

Dr. Prabhakarajeshwar
Assistant Professor
Department of Biotechnology
Davangere University, Davangere

Dr. Neysa H M
Assistant Professor
Department of Biotechnology
Davangere University, Davangere

Dr. Chandrashekar S
Assistant Professor
Department of Biotechnology
Davangere University, Davangere

Miss. Kavitha G C
Assistant Professor
Department of Biotechnology
Davangere University, Davangere

NATIONAL WEBINAR SERIES

Distinguished Speakers

Topic : Novel compounds of Endophytes and applications
Dr. Umashankar
Deputy General Manager
Shilpa Medicare, Karnataka

Topic : Rapid Detection methods of cancer
Dr. Shilpa Shivashankar
Professor
Acharya Institute of Technology, Bangalore

Topic : Fundamentals of Vaccine manufacturing and regulatory approval process
Mr. Shailesh Kamath
Senior Manager, Global regulatory affairs,
Sanofi Healthcare India Pvt. Ltd., Hyderabad

Topic : Career Opportunities in Life Sciences
Dr. Gautham S Annappa
Senior Scientific Writer,
Global Clinical Operations- Vaccines,
Glaxo Smithkline India Global Services Pvt. Ltd., Bangalore

Topic : Gene manipulation strategies
Dr. Madhu Dyavaiah
Assistant Professor
Dept. Of Biochemistry and Molecular Biology, School of Life sciences, Pondicherry University, Pondicherry.

Topic : Placement prospective in biotechnology industry
Dr. Raghavendra P Rao,
Principal scientist, The Himalaya Drug Company, Bangalore.

Topic: Immune Transition & Technology Transformation in Human Life
Dr. S Yamini Sudha Lakshmi
Assistant Professor, Department of Medical Biochemistry
University of Madras, Chennai

Topic: Bacteriophage Therapy; An Alternative to Antibiotics in the treatment of Multi-Drug Resistance Bacteria
Dr. Chandrakanth Kelmani R, Professor, Department of Biotechnology
Gulbarga University, Gulbarga

Topic: Advanced Molecular Diagnostics for the Detection of Phytobacterial pathogens
Dr. Umsha S
Professor, Department of Studies in Biotechnology
University of Mysore, Mysore

Topic: Exploring Structurally diverse plant secondary metabolites as novel drug source targeting emerging diseases
Dr. Hariprasad P
Assistant Professor,
Centre for Rural Development and Technology,
Indian Institute of Technology (IIT-D), New Delhi

Topic: SWAYAM MOOCs: An Introduction
Dr. Chandan S
Assistant professor Department of Biotechnology and Bioinformatics, School of Life Sciences, JSS Academy of Higher Education & Research Mysuru, Karnataka, India

Topic: Principles and applications of spectroscopic techniques
Dr. Suhas R,
Assistant professor, PG Department of Chemistry JSS College,
Ooty Road, Mysuru-25

NATIONAL WEBINAR SERIES

Topic: Tumor microenvironment and therapeutic strategies
Dr. Prabhakar B T
Assistant Professor, Molecular Biomedicine Laboratory
Department of Biotechnology
Sahyadri Science College, Kuvempu University, Shivamogga

*ALL ARE CORDIALLY INVITED:-
Syndicate Members, Academic Council Members, All Deans,
Staff Members, and Students*

Co-curriculum activities:

DoS in Biotechnology started forum “Biospark” in the year 2019-20 with the aim of encouraging students to participate in various co-curricular and extra-curricular activities. It was inaugurated on 6th November 2019.

Department alumni association

Department alumni association started in the year 2019. Department organizes alumni meet yearly once and Alumni feedback is collected. Alumni share their knowledge and give suggestions regarding the courses to be introduced, to enhance skill, industrial requirement, research, start ups and self employability to meet the market demands.

- DoS in Biotechnology encourages students in hands on training, societal involvement, environmental issues, to become a responsible biotechnologist to serve human welfare.
- Students visited VTU regional center for hands on training in analytical technique, protein purification and nanotechnology.

- Students are trained in apiculture to guide local farmers in achieving good cultivation practices of honey bee.
- The students have keen interest in keeping environment clean to maintain ecological balance of the university as well their residential regions.

Extra-curriculum activities:

Fresher's day celebration:

Sports Day:

“Sound body has Sound Mind”

DoS in Biotechnology encourages sports activities to promote the students to keep their physical fitness as well as health fitness.

Our proud student Mr. Dhananjay of final year biotechnology has represented Davangere University ball badminton team to participate in all India inter university tournament.

DAVANGERE UNIVERSITY
SHIVAGANGOTRI, DAVANGERE-577 002

CERTIFICATE No. 2005

This is to Certify that
 Sri/Name: Jhananaraya. G.R.
 Son / Daughter of: Ranganurthy.
 of: Shivagangotri. D.U.
 College: Davangere. has represented
 Davangere University in the Ball Badminton
 South Zone / South-West Zone / All India Inter-University / Tournament /
 Competition Held at Mangalore University.
Karnataka. from 29.1.2020
 to 1.2.2020. for the year 2019-20.

Physical Education Director
Davangere University

 Vice-Chancellor
Davangere University

Farewell Day celebration:
