- a. **Name of the programme** : Patent Filing in Life Sciences
- b. **Date of event** : 30.12.2020
- c. **Short summary** :

The Department of Studies in Botany has conducted one day online lecture series on “Patent filing in Life Sciences” on 30th Dec 2020 from 11.00 am to 5.00 pm. The program was conducted via online platform Cisco webex. The program was presided by H’ble Vice Chancellor: S. V. Halse, Respected Registrar: Prof Basavaraja Banakara, IQAC director, Prof Gayathri Devaraja, all faculty of Department of Studies in Botany, research scholars and students.

Three eminent speakers were invited to enlighten our knowledge on Patent filing and IPR issues. The following is the list of speakers and the title:

1. **Prof Iddaya Karunasagar**, Advisor (Research and Patents), Nitte University, University Enclave, Medical Sciences Complex, Deralakatte, Mangalore and the title was “**Demystifying Patenting**”.
1. **Prof T.N. Shanmugam**, Director, Centre for Intellectual Property Rights, Anna University, Chennai and the title was “**IPR with special reference to Life Science patenting**”.
2. **Dr Nandini D**, FRLHT, Bengaluru and the title was “**Bioprospecting-II**”.

From the above program we acquired knowledge about basic concepts of patent and IPR issues, invention, design, [essential part of patent application with the United States Patent and Trademark Office \(USPTO\)](#), Indian patents, patent filing procedure and so on. To conclude the program was worth attending which enhanced our knowledge on IPR issues.

The program was successfully completed and ended by the Presidential remarks of H’ ble Vice Chancellor, S. V. Halse.
