Policy Document on Scheme of Incentives

(An IQAC Initiative)

With effect from Jan 2020, Version 1.0

Policy on Scheme of Incentives

1. OBJECTIVE OF THE SCHEME

The objective of this project incentive system is to encourage academic members at our institution to engage in high-quality research, consulting, and other research-related activities by providing them with monetary incentives.

- To file and publish patents with high commercialization potential.
- To write and submit research proposals soliciting extramural funding.
- To establish a state-of-the-art research facility.
- To provide consultancy services to industry and other organisations.
- To provide consultation services to industry and other organisations.

2. SCOPE OF THE SCHEME

This scheme covers all faculty members of all Departments of our Davangere University.

The scope of the scheme envisages, in particular:

- to encourage our faculty members to devote more time to research-related activities in addition to their teaching responsibilities, with the goal of publishing research papers in reputable refereed international and national journals with high impact factors.
- to make efforts to write books and monographs that will be published by reputable international and national publishers.
- Members of the faculty should be encouraged to participate in joint research projects with counterparts at reputable international universities in order to garner interest from other faculty members.
- to encourage our academic members to submit applications to different funding bodies in India and abroad in order to gain financing for research initiatives.
- to participate in consulting projects funded by both the government and the private sector, as well as industrial and other groups.
- to stimulate faculty members' imaginations so that they may produce unique contributions in the form of goods, ideas, and other innovations, and to help them secure patents.

3. ANNUAL RESEARCH EXCELLENCE AWARDS

Rewards will be announced in separate categories, subject to the approval of the Research Advisory Committee of IQAC initiative, as shown in the table below:
