About Davangere University

Davanagere University is one of the youngest affiliating types of Universities in Karnataka. This University has been recognized by the UGC under section 22 of UGC Act for award of Graduate/Post-Graduate degrees and also under section 12 (B) and 2 (f) by the said UGC Act for sanction of financial assistance for Academic, Research and infrastructure development of the University. It has also been accredited by NAAC with B⁺ in the Second cycle after its inception.

Davangere University was established to meet the higher educational (including Post-Graduate education and research) aspirations of the rural youth and also to increase the higher education literacy percentage at all India level. The University has 112 Colleges affiliated to it in total, with one Constituent College and one Autonomous College, offering Graduate and Post-Graduate programmes in various disciplines catering to the educational needs of more than 60,000 students.

About Basaveshwara Medical College and Hospital (BMCH) and SJM Vidyapeetha

Sri Jagadguru Murugharajendra Vidyapeetha is an apex body established under the Societies Act to organise and manage educational and cultural institutions with an intention to take education to the door steps of common people in rural and remote areas. This was started in the year 1964 by His Holiness Jagadguru Sri Sri Mallikarjua Murugharajendra Mahaswamiji, the then pontiff of Srimath. The present seer Sri Shivamurthy Murugha Sharanaru is the President of this Vidyapeetha under the spiritual and administrative guidance of whom about 150 institutions are running today.

These institutions include a Medical College, Dental College, Engineering College, Nursing College and Schools, Pharmacy College, Polytechnics, Degree Colleges, High Schools, Primary and Nursery Schools, School of Dance Drama and Music etc.,. Besides, it has number of Hostels and Schools for Physically Challenged and Orphan Children.

Purpose and Scope

This collaboration is intended to:

1. The Department of studies in Zoology, Davangere University and Department of microbiology and Molecular biology research laboratory BMCH, Chitradurga to be a part of joint collaboration to take up towards the establishment of research in Human² Genetics.

2. Take up collaborative projects to identify Genetical disorder in different regions of Chitradurga District, Karnataka to develop prevalence and degree of relatedness.
3. Build capabilities of Human Resources (Students, Research Scholars and Faculty) through skill development programmes and advanced Research collaboration in the areas of mutual interest.
4. Ethical considerations and significant resource sharing.

Agreement

Now therefore collaboration between Dr. Sreenivasa G, Assistant Professor, Department of Studies in Zoology, Davangere University, Davangere and Dr. Shubha D.S, Professor and Head, Department of Microbiology & Molecular biology Laboratory, Basaveshwara Medical College and Hospital, Chitradurga are witnessed as under:

Financial Arrangements

The financial obligations in meeting the requirements under identified programmes and activities will be met as per the norms followed by respective Collaborators/Department.

Intellectual Property Rights

Each party will ensure appropriate protection of Intellectual Property Rights generated from cooperation pursuant to Collaboration, consistent with their respective laws, rules and regulations and international agreements to which both parties are committed. In case research is carried out solely and separately by the Party or the research results are obtained through the sole and separate effort of the Party, the party concerned alone will apply for grant of IPR and once granted, the IPR will be solely owned by the concerned party. In case of research results obtained through joint activities, the grant of intellectual property rights will be sought by both the parties jointly and once granted these rights will jointly owned by the parties.

The Parties shall not assign any rights and obligations arising out of the IPR generated to inventions/activities carried out under the collaboration to any third Party without consent of the other party.

Incase of research results obtained through joint activities under this Collaboration, both the parties will apply as co-applicants for the protection of intellectual property rights in India. Commercialization in any other country shall be done jointly through a separate agreement.

Publications

Any publication, document and/or paper arising out of joint work conducted by the participants pursuant to this Collaboration will be jointly owned. The use of the name, logo and/or official emblem of the participants on any publication, document and/or paper will require prior permission of both the participants. It may however be ensured that the official emblem and logo is not misused.

Confidentiality

All information and documents to be exchanged pursuant to the Collaboration will be kept confidential by the Parties and will be used subject to such terms as each Party may specify. The parties will not use the information for purposes other than that specified without the prior written consent of the other party.

All Confidential Information shall remain the exclusive property of the disclosing party. The Parties agree that this agreement and the disclosure of the Confidential Information do not grant or imply any license, interest or right to the Recipient in respect to any intellectual property right of the other Party.

Unpublished information, whether oral, in writing or otherwise, discovered or conceived by the scientists or technicians and exchanged under the provisions of this Collaboration will not be transmitted to a third party, unless otherwise agreed by the Parties.

Modification

The agreement can be modified through mutual written consent of both parties to this agreement.

Termination

In the event of termination of the agreement, the rights and obligations of the parties shall be settled by mutual discussions.

Formation of Core Team

A core team consisting of two faculty members from each participating agency shall be formed and shall meet twice in a year to review the progress of the activities.

Tenure of the Collaboration

This Collaboration shall be effective upon the signature of BMCH and Davangere University authorized officials. It shall be in force for a period of three years from the date of signing.

IN WITNESS WHEREOF, the Parties, through their duly authorized officers, accept the above terms effective the day and year first above written.
