### ***Greetings!***

It is with great pleasure that I extend a warm welcome to all aspiring students seeking admission to the post-graduate programs offered by Davangere University, one of Karnataka's most promising institutions. In its relatively short history, Davangere University has distinguished itself in the realm of higher education, earning a reputation for academic excellence and quality research. Over the past fourteen years, the university has achieved significant growth, both in its academic endeavors and in the development of infrastructure, fostering an intellectual environment conducive to learning and innovation.

Davangere University remains responsive to the evolving challenges of contemporary society. A key mission of any university is to contribute to national development by cultivating a skilled workforce. Our aim is to educate and train individuals who will be highly valued for their specialized knowledge, technical expertise, communication abilities, research acumen, leadership qualities, innovative thinking, and entrepreneurial spirit. Our Science Departments are at the forefront of advanced research and are well-equipped to nurture the next generation of enthusiastic scientists.

We are dedicated to pursuing a "holistic approach to education" and ensuring "holistic education for all."

Our commitment is to provide you with an exceptional educational experience through a curriculum that blends theoretical knowledge with industry-oriented practice, supported by seminars, lectures, conferences, and value-added programs. Davangere University is deeply engaged in the ongoing task of nation-building, striving to promote excellence in higher education to create a vibrant and inclusive society through the generation and dissemination of knowledge. To this end, we encourage not only academic pursuits but also co-curricular, extracurricular, and extension activities. The research output of our post-graduate departments is commendable, as evidenced by the number of Ph.D. degrees awarded and the publication of research in high-impact journals with notable citations.

The University has also established a Centralized Placement Cell, dedicated to addressing the pre-placement training and placement needs of our post-graduate students. In this emerging era of global opportunities, knowledge and skills are the most valuable assets. At Davangere University, we place special emphasis on aligning our programs of study with a multidisciplinary and skill-based approach, endeavoring to shape skilled, effective, and socially responsible individuals.

To all prospective students, I take great pride in inviting you to become part of the Davangere University academic community. I am confident that your pursuit of higher education here will be a fulfilling experience, equipping you with the diverse skills needed to meet the challenges of contemporary society.

I look forward to welcoming you to Davangere University and witnessing your journey toward becoming a multi-skilled, socially conscious individual ready to contribute meaningfully to the world.

Best Wishes,  
**Prof. Venkatesh K.**  
Vice-Chancellor (I/c)

## INTRODUCTION

Welcome to Davangere University, the pride of Central Karnataka, where knowledge meets excellence.

Established as a statutory university on August 18, 2009, Davangere University stands as one of Karnataka's youngest institutions, born out of Kuvempu University with a mission to fulfill the educational aspirations of the people of the Davangere and Chitradurga districts. Before attaining its current status, the University operated as a Post-Graduate Centre under the University of Mysore from 1979 to 1987, and subsequently under Kuvempu University from 1987 to 2009. The University campus spans **251** acres, with the main campus, Shivanganthri, covering **73** acres. This serene campus is enriched by lush greenery, vibrant students, and a dynamic staff, all supported by aesthetically designed, spacious infrastructure.

Davangere University offers a diverse array of Post-Graduate programs across the faculties of Arts, Science, Commerce and Management, and Education. The University is committed to providing quality higher education, adhering to the policies set forth by the University Grants Commission (UGC) to ensure access to higher education for all segments of society. With **30** Post-Graduate Departments, Four Post-graduate Diploma programs, One Diploma and One Certificate programs, the University actively promotes social justice, aligning with the policies of both the State and Central Governments.

All Post-Graduate programs have adopted the Choice Based Credit System (CBCS), enhancing academic flexibility and fostering a comprehensive learning environment. The University affiliates **128** colleges, including three constituent colleges and one autonomous college, which offer Undergraduate and Post-Graduate programs across various disciplines to over 60,000 students. In line with the Government of Karnataka's inclusive policies, the University strictly adheres to the reservation norms for admissions, ensuring social justice and equity as outlined in the Karnataka State Universities Act, 2000. The faculty, both teaching and non-teaching, are deeply invested in the holistic development of students.

The University Central Library is a modern facility, richly stocked with reference books, textbooks, current journals, back volumes of periodicals, and a vast collection of government and institutional reports. It also offers advanced services like a Digital Library and access to e-journals, facilitating a robust academic environment.

Davangere University boasts a highly qualified faculty engaged in cutting-edge research, supported by extramural funding from prestigious agencies such as the UGC, ICSSR, ICMR, DST, DBT, DAE-BRNS, VGST, and KSCST. The faculty's research contributions are well-recognized, with numerous publications in highly reputed peer-reviewed journals, along with awards and recognitions. The University is also committed to supporting students from SC/ST and OBC communities through dedicated cells that provide necessary assistance.

Students are actively encouraged to participate in NSS activities, which include village adoption, campus cleaning, awareness campaigns, and maintaining a green campus, all under the NSS-P.G. units of the University. The Sports Wing of the University is a formidable force, having secured accolades at state, inter-university, zonal and national levels. Additionally, the University organizes various programs such as blood donation camps, women's empowerment initiatives, health and environmental awareness campaigns, and rainwater harvesting drives. As part of its commitment to modernization, the University has embraced ICT initiatives through its e-governance cell.

The Internal Quality Assurance Cell (IQAC), established in January 2015, plays a pivotal role in ensuring the quality of teaching, research, and administration. The IQAC rigorously strives to enhance quality, including obtaining and analyzing student feedback to drive improvements in teaching and administration. The University's dedication to quality was recently recognized with a 'B+' grade accreditation by NAAC.

In 2015, the University established the Planning, Monitoring, and Evaluation Board (PMEB) to oversee the strategic planning, monitoring, and evaluation of its academic and research activities. With a focus on continuous growth and development, Davangere University is supported by a dedicated and committed faculty who are steadfast in their efforts to advance the welfare of students and the overall progress of the University.

Welcome to Davangere University, where tradition meets innovation, and education serves as the cornerstone of a brighter future.

## DAVANGERE UNIVERSITY EMBLEM

ವಿದ್ಯಾದಾನೇನ ವರ್ಧತೆ, ವಿದ್ಯಾ ವಿನಯೇನ ಶೋಭತೆ, ವಿದ್ಯಯಾ ವಿಂಧತೆ ಅಮೃತಂ

**The emblem** of Davangere University symbolizes its **vision** and **motto**. The logo is conceptualized and designed on the theme to save planet Earth with **“Inclusion and Sustainability through Education”**.

**Inclusive development** follows human development approach and integrates the standards and principles of human rights: participation, non-discrimination and accountability. The effects of exclusion based on gender, ethnicity, age, disability, poverty etc., are staggering and deepening inequality across the world. Development can be inclusive only if all groups of people contribute to creating opportunities, share the benefits and participate in decision-making.

**Sustainable Development** is seeking to meet the needs of the present without compromising those of future generations. It is a vision of development that encompasses population, animal and plant species, ecosystems, natural resources and the needed integrated concerns.

The outline of faces in the logo depicts the youth power moving ahead with a mission for all types of development for humanity. The leaves on either side of globe signify the sustainable approach to protect the environment/earth. The book symbolises the knowledge which is open to everyone to achieve the end.

**The motto** is a famous saying in Sanskrit **“Tamaso maa Jyotirgamaya”** meaning **“From Darkness lead me to Light”**. This light of awareness can only be through education. The colour scheme of the logo relates to the atmosphere, colour brown is for mother earth (soil), orange for learning, green for life and environment, and colour yellow for expansion.

## UNIVERSITY AT A GLANCE

Davangere University, established on August 18, 2009, is a progressive institution located in the central part of Karnataka, with its main campus situated at Shivagangothri in Davangere. The University holds territorial jurisdiction over the districts of Davangere and Chitradurga. Recognized by the University Grants Commission (UGC) under Section 22 of the UGC Act, the University is authorized to confer Undergraduate and Postgraduate degrees. Furthermore, it is also recognized under Sections 12(b) and 2(f) of the UGC Act, which qualifies it for financial assistance aimed at academic, research, and infrastructure development. The University earned 'B+' accreditation from the National Assessment and Accreditation Council (NAAC) in its second cycle post-establishment.

Historically referred to as the "Manchester of Karnataka," Davangere has evolved into a significant educational hub, offering extensive academic opportunities across disciplines such as Art, Architecture, Engineering, Humanities, Medical Science, Social Science, Science, and Technology. The city is well-connected by road and rail, lying 265 kilometers from Bengaluru by road and 347 kilometers by rail. In addition to its educational prominence, Davangere is also known for its commercial and industrial developments.

The establishment of Davangere University was a strategic move to fulfill the higher education needs of the rural youth in the region and to enhance the higher education literacy rate across India. The University currently oversees 128 affiliated colleges, including one autonomous and three constituent colleges within its jurisdiction.

### Location and Facilities

Davangere and Chitradurga districts are centrally positioned in Karnataka, along the Pune-Bengaluru National Highway (NH-4). The University's main campus at Shivagangothri is located 5 kilometers from Bada Cross on NH-4, with ample public and private transportation options available from Davangere city to the campus. Spread over 73 acres, the campus offers a pollution-free environment, with abundant greenery that contributes to its scenic beauty and academic ambiance.

The University offers Post-Graduate education across 30 Departments, 04 P.G. Diploma, 01 Diploma and 01 Certificate Program at the Shivagangothri campus. These programs span various faculties, including Arts, Commerce, Science & Technology, and Education. Additionally, a Post-Graduate Centre located at Guddada Rangavvana Halli, on the outskirts of Chitradurga, offers 10 Post-Graduate programs during the current academic year.

The University College of Visual Arts, a prestigious constituent college located in the heart of Davangere City, offers foundation, Graduate, and Post-graduate programs in Visual (Fine) Arts.

All Undergraduate and Post-Graduate programs are conducted under the Choice Based Credit System (CBCS) in a semester format. The syllabi for these programs are revised every three years in accordance with UGC guidelines.

Davangere University is deeply committed to bringing rural youth into the mainstream of post-graduate education and actively engaging them in the University's research programs, fostering a thriving academic environment for students.

## A. SHIVAGANGOTTHRI CAMPUS, DAVANGERE

### **ACADEMIC BLOCKS:**

#### **BIOSCIENCE BLOCK:**

The first building on the campus, was constructed by the Bapuji Education Association in 1998 on land donated for the then P.G. Centre (Kuvempu University). Currently, the Post-Graduate Departments of Biochemistry, Botany, Microbiology, and Zoology are housed in this building.

#### **NEW SCIENCE BLOCK:**

A new building has been constructed with spacious laboratory facilities. This building accommodates the Post-Graduate Departments of Biotechnology, Chemistry, Computer Science, Computer Applications, Environmental Science, Food Technology, and Physics.

#### **INSTITUTE OF MANAGEMENT STUDIES AND SOCIAL SCIENCE BLOCK:**

This building currently houses the Institute of Management Studies (MBA) and the Post-Graduate Departments of Education, Journalism and Mass Communication, Kannada, Mathematics, and Social Work. Two computer laboratories, each with a capacity of 60 computers, have been established in this building to support the skill development of P.G. students.

#### **NEW SOCIAL SCIENCE BLOCK:**

This state-of-the-art academic building includes classrooms, a seminar hall, and houses the Post-Graduate Departments of Commerce, Economics, English, History, Political Science, and Sociology.

#### **UNIVERSITY CENTRAL LIBRARY:**

The Central Library, located on the Shivagangothri campus, is well-stocked with 50,125 textbooks and reference books, 50 journals on current subjects, and more than 2,350 back volumes of periodicals. A significant number of government and institutional reports are also available in the library. Additionally, the library offers a wide selection of resource books, guides, and volumes for competitive exams such as KAS/IAS/IPS, UGC/CSIR-JRF/NET, and K-SET/SLET.

The library provides various services, including borrowing, internet browsing, reference assistance, and photocopying facilities for P.G. students, research scholars, and faculty members of the University. The library also offers a Book Bank facility, housing over 3,312 books for SC/ST students and 905 books for OBC students, specifically for their benefit.

The Central Library also features a well-equipped Digital Library with 65 computers connected to the internet.

- E-Resources Available in the Library:
- K Nimbus: 51 E-Books
- CBS: 116 E-Books
- DELNET: E-Resources
- J-Gate plus Database from INFLIBNET
- National Digital Library of India

#### **AUDITORIUMS:**

Four auditoriums have been constructed on the campus for organizing various co-curricular, extracurricular, and academic/research programs. These auditoriums are located in the Institute of Management Block, Science Block, SS Hall, and Commerce/Economics Blocks.

### **SCHOLARSHIP:**

The Central and State Governments, along with various other institutions, award different types of scholarships to meritorious and deserving students across various categories. Scholarships are also provided to SC/ST and other students in accordance with the guidelines set by the respective organizations.

### **SC/ST STUDENT DEVELOPMENT CELL:**

A dedicated cell has been established to oversee the welfare and provide special development assistance to students belonging to the SC/ST categories. Special coaching classes are conducted for these students to prepare for competitive examinations such as UGC/CSIR and other exams. Additionally, training is provided to equip them with computer skills and communication skills. Remedial coaching classes are held to enhance their learning abilities, and bridge courses are offered to promote their overall personality development. The cell also provides a book bank facility, Ph.D. fellowships, contingencies, and project financial assistance for final-year P.G. students. Support services are also available through this cell.

### **HEALTH CARE CENTRE:**

The Health Care Centre, equipped with preliminary diagnostic facilities, is managed by a medical officer and supported by a full-time qualified nursing staff available around the clock. It provides healthcare services to the staff and students on campus.

### **STUDENTS WELFARE CELL:**

The Director of the Student Welfare Cell addresses various needs of the students, organizes programs for their benefit, and encourages participation in various co-curricular and extracurricular activities.

### **TRAINING AND PLACEMENT CELL:**

This cell provides career guidance and organizes campus interviews for students of the P.G. departments. University-industry interaction is actively encouraged.

### **HOSTEL FACILITIES:**

The University maintains three girls' hostels and three boys' hostels, as detailed below. Students may contact the Director of Student Welfare or the wardens of the hostels for further information regarding admissions. For effective administration, the hostels are organized as follows:

#### **1. Girls Hostels:**

- Gangothri Block - 150 Student Capacity.
- Saraswathi Hostel - 174 Student Capacity.
- Tunga Hostel - 140 Student Capacity.

#### **2. Boys Hostels:**

- Bramhaputra Hostel - 150 Student Capacity.
- Krishna Hostel - 174 Student Capacity.
- New Hostel - 140 Student Capacity.

Please note that hostel accommodation is not guaranteed for all students. Students enrolled in diploma or certificate courses are generally not eligible for hostel facilities, except for those pursuing two-year Post-Graduate Diploma programs.

### **PREVENTION OF ATROCITIES AGAINST WOMEN:**

The Women's Harassment Prevention Committee is in place to prevent any such incidents, as per the directives of the Supreme Court and UGC guidelines. The cell aims to prevent harassment of any

kind towards women employees and students within the jurisdiction of Davangere University. The University is committed to taking appropriate measures to prevent sexual harassment and to ensure that there is no hostile environment for women at work or in study areas.

### **SPORTS FACILITIES:**

The University conducts team selection trials and coaching camps for both indoor and outdoor games, enabling students to participate in inter-collegiate and inter-university tournaments. Sports activities in the University and its constituent/affiliated colleges are actively supported.

### **NATIONAL SERVICE SCHEME (NSS):**

The National Service Scheme (NSS) was established at the University in 2010. The NSS's motto is "NOT ME BUT YOU," emphasizing education through community service and community service through education. The thrust areas of NSS include adult literacy and environmental protection programs. The NSS wing has 103 units and 10,500 volunteers within the University's jurisdiction. The Department of Youth Affairs and Sports, Government of Karnataka, provides grants for conducting regular and special camps within the University's jurisdiction.

### **ROVERS AND RANGERS (SCOUT AND GUIDES):**

Rovers and Rangers (Scouts and Guides) were established in the University during the 2015-16 academic year. These units are active in the affiliated colleges of the University.

### **YOUTH RED CROSS:**

The Youth Red Cross was established at the University during the 2015-16 academic year, and its units are active in affiliated colleges, carrying out various activities.

### **P.G.-GYMKHANA**

To provide opportunity for students to exhibit their talent in cultural activities and sport P.G.-Gymkhana have been functioning from 03 years. Various activities are conducted throughout the academic year. Successful students in cultural competitions are being sent to State, Zonal and National level competitions. Youth festival is also being organized every year.

### **BANK AND ATM FACILITIES:**

An independent branch of the State Bank of India operates on campus, providing net banking facilities and an ATM outlet. This branch serves the banking needs of students, faculty, staff, administration, and the surrounding communities. This initiative represents the University's first step towards University-Society interaction.

### **TRANSPORTATION SERVICES:**

KSRTC provides a good and frequent public transportation service with different routes linked to the University campus. The district administration has assisted in providing this facility to thousands of students pursuing higher education in the rural area. Additionally, many private buses also pass through the campus. The University purchased its own Omni Bus for the Post-Graduate Centre in G.R. Halli, Chitradurga, in the 2019-20 academic year.

### **POSTAL SERVICES:**

A post office branch, operated by India Post (Department of Posts, Ministry of Communications & IT, Government of India), is located above the cafeteria on the Shivagangothri campus. It offers regular, registered, and speed post services.

### **CAFETERIA:**

A centrally located canteen on the Shivagangothri campus caters to the needs of students, faculty, and the general public. The canteen is open from 8:00 am to 6:00 pm.

### **NO SMOKING AREA:**

All Post-Graduate campuses under the jurisdiction of this University are designated as "NO SMOKING AREAS." Any violation of this policy will result in severe punishment, as per the guidelines prescribed by the Government of India, UGC, and the Government of Karnataka.

### **ANTI-RAGGING:**

Davangere University has zero tolerance for ragging, which is a punishable offense. Anti-ragging activities are monitored by a committee constituted as per the UGC Regulations outlined in letter No. F. 1-16/2009 (CPP-II) dated 21st October 2009, to curb the menace of ragging. Every student is required to sign a declaration affirming that they will not engage in any form of ragging or unlawful activities in classrooms, hostels, or on University premises.

## **B. POST-GRADUATE CENTRE, JNANAGANGOTHRI CAMPUS, CHITRADURGA**

Davangere University's Post-Graduate (P.G.) Centre, Jnanagangothri, was established in 2010 at Guddada Rangavvana Halli (G.R. Halli) on Solapur National Highway-13, located 6 kilometers from the KSRTC Bus Stand in Chitradurga. The primary objective of this centre is to increase access to higher education for students from rural, remote, and underdeveloped areas in the region. Notably, more than 60% of the population in this region belongs to SC, ST, OBC, and other minority communities, and over 50% of the students pursuing higher education are girls.

The Post-Graduate Centre spans 81.2 acres of land in Guddada Rangavvana Halli. It boasts natural beauty, nestled within a hilly landscape and enjoying a moderate climate. The campus includes two well-constructed academic blocks: the Social Science Block, which houses administrative offices, and the Science Block. The Centre has earned recognition as a well-established P.G. centre in Karnataka, particularly when compared to other universities founded between 2008 and 2010.

The P.G. Centre currently offers a range of post-graduate programs, including:

M.A. in Kannada, English, and Economics

M.S.W. (Master of Social Work)

M.Sc. in Botany, Chemistry, Mathematics, Physics, and Zoology

M.Com. (Master of Commerce)

The Centre is staffed by a team of well-trained and experienced permanent faculty members. Currently, there are 300 post-graduate students enrolled on the campus. To accommodate these students, a boys' hostel and a girls' hostel were constructed and was opened for the students from the 2020-21 academic year. Additionally, the Centre features its own playground, an NSS unit, a well-equipped computer lab with 50 computers, a seminar hall, a library, and an Omni bus for transportation.

**C. UNIVERSITY COLLEGE OF VISUAL ARTS**

University College of Visual Arts was established in 1964 in the name of Govt School of Arts & Crafts (SAC) in Davangere. It was under the control of Director of Technical Education Board Bangalore.

With the Govt. order in the year 1992, Govt School of Art & Crafts was transferred to Kuvempu University and brought under its Jurisdiction as its constituent college and was renamed as University college of Fine Arts Davangere.

In the year 2009 the college came under Jurisdiction of Davangere University and its constituent college due to geographical location. This college has been renamed as University college of Visual Arts, Kalagangotri, Davangere.

The college is running Bachelor’s Degree Program in 1) Painting, 2) Applied Art, 3) Sculpture and 4) Animation.

Master’s Degree Program in 1) Painting, 2) Applied Art, and Ph.D. in Visual Art.

## CHOICE BASED CREDIT SYSTEM (CBCS)

The Choice Based Credit System (CBCS) refers to the flexibility offered to the students for selecting a suitable course or paper and credit refers to time spent for study. Thus, the CBCS is an advanced mode of higher learning that facilitates a good deal of freedom in designing your own curriculum in Master's degree. Further, this is a learner and teacher-oriented system by eliciting active participation of teachers in planning and management of academic Programs, establishing close interaction between teacher and students that contribute towards quality of education.

### I. ELIGIBILITY FOR ADMISSION:

1. Candidates possessing Three Years Bachelor's Degree from Davangere University or Three Years/Four Years Bachelor's Degree any other University equivalent thereto recognized by this University and/or who have qualified in the entrance examination shall be eligible for admission to Master's Degree Program of Davangere University.
2. A Candidate shall possess minimum percentage of marks in the qualifying examination as prescribed by the University in its Regulations for Admission.

### II. DURATION FOR COMPLETION OF THE PROGRAM:

1. For the award of Master's Degree, the student needs to complete 4 Semesters of Academic work, and earn the minimum specified credits.
2. A candidate can avail a maximum of **double the duration** specified for each Program (in one stretch) to complete any Master's Degree Program (including blank semester/s, if any).
3. Whenever a candidate opts for a blank semester, and then intends to continue the studies, the candidate is supposed to **study the prevailing course(s)** offered by any Department.

### III. NUMBER OF WEEKS AND WORKING DAYS IN EACH SEMESTER:

## A BRIEF PROFILE OF THE POST – GRADUATE DEPARTMENTS

### 1. ಡಾ. ಎಂ. ಚಿದಾನಂದಮೂರ್ತಿ ಕನ್ನಡ ಅಧ್ಯಯನ ಮತ್ತು ಸಂಶೋಧನಾ ಕೇಂದ್ರ

#### ವಿಭಾಗ ಮಾಹಿತಿ:

ದಾವಣಗೆರೆ ವಿಶ್ವವಿದ್ಯಾನಿಲಯದಲ್ಲಿ ಕನ್ನಡ ಅಧ್ಯಯನ ವಿಭಾಗವು 2010ರಲ್ಲಿ ಸ್ಥಾಪನೆಗೊಂಡು, 2010-11 ನೇ ಶೈಕ್ಷಣಿಕ ವರ್ಷದಿಂದ ಕನ್ನಡ ಎಂ.ಎ. ಸ್ನಾತಕೋತ್ತರ ತರಗತಿಗಳನ್ನು ಪ್ರಾರಂಭಿಸಲಾಗಿದೆ. ಕನ್ನಡ ಸಾಹಿತ್ಯದ ಪ್ರಚಲಿತ ವಿದ್ಯಮಾನಗಳನ್ನು ಗಮನದಲ್ಲಿಟ್ಟುಕೊಂಡು ಉದ್ಯೋಗಮುಖಿ ಹಾಗೂ ಸಮಾಜಮುಖಿಯಾಗುವಂತಹ ಪಠ್ಯಕ್ರಮವನ್ನು ರೂಪಿಸಲಾಗಿದೆ.

#### ಅಧ್ಯಯನ ವಿಭಾಗದ ಗುರಿ ಮತ್ತು ಧ್ಯೇಯೋದ್ದೇಶಗಳು:

##### ಗುರಿ :

- ಕನ್ನಡ ಸಾಹಿತ್ಯ ಅಧ್ಯಯನದ ಮೂಲಕ ವೈಯಕ್ತಿಕ ಮತ್ತು ಸಾಮಾಜಿಕ ಅಭಿವೃದ್ಧಿಯನ್ನು ಸಾಧಿಸುವುದು.

##### ಧ್ಯೇಯೋದ್ದೇಶಗಳು :

- ಕನ್ನಡ ವಿದ್ವತ್ ಜ್ಞಾನ ಪರಂಪರೆಯಿಂದ ಸಮಾಜವನ್ನು ಮರುರೂಪಿಸುವುದರ ಕಡೆಗೆ ಗಮನ ಹರಿಸುವುದು.
- ಕನ್ನಡ ಸಾಹಿತ್ಯದ ಅಧ್ಯಯನವನ್ನು ಮೌಖಿಕ ಮತ್ತು ಲಿಖಿತ ಪರಂಪರೆಗಳೆರಡರ ಮೂಲಕ ಪ್ರಚುರಪಡಿಸುವುದು.
- ಕನ್ನಡ ಅಧ್ಯಯನದಲ್ಲಿ ವಿದ್ವತ್, ಸಂಶೋಧನೆ, ಸಂಸ್ಕೃತಿ ಮತ್ತು ಅಂತರ್‌ಶಿಸ್ತೀಯ ವಿಧಾನವನ್ನು ಅನುಸರಿಸುವುದು.

#### ವಿಭಾಗದ ಮುಖ್ಯ ಅಂಶಗಳು:

Business Education, Research and Extension based on Universal Human Values, which Reduce Stress, Promote Peace and Harmony for Quality of Life Results.

### Mission:

- To be one of the Best Departments in the Country by Focusing on Growth and Development.
- To Adopt World Class Teaching and Learning Methods.
- To Build a Student - friendly, Interactive Academic Environment.
- To Carry out Research, Consultancy, Extension and Training Activities useful to Society.
- To Imbibe in Teachers and Students the Universal Human Values such as Truthfulness,
- Non-Violence, Kindness, Compassion, Generosity which ensure Happy, Peaceful & Healthy life.

### Highlights of the Department:

**The teaching and evaluation schemes** for the programs are designed by a team of seasoned academicians, with support from chartered accountants and industry experts.

**Emphasis** is placed on a collaborative learning process through modern pedagogy.

**A strong practical perspective** is provided through continuous interaction with business and industry professionals.

**The Department regularly conducts** student-centric activities such as product launches, business quizzes, collage making, essay writing, seminar presentations, case studies, problem-solving sessions, and more.

**A series of special lectures** is organized featuring eminent speakers, seasoned academicians, industrialists, and chartered accountants.

**Regular** local industrial visits, internship programs, practical training sessions, and excursions are organized.

**Faculty members** and students are encouraged to participate in national and international conferences and conventions.

**The Department** has an internal library with 5,200 high-quality textbooks and over 150 Ph.D. theses available for reference by students and research scholars.

**Daily current events sessions** are held in the morning for students, encouraging them to participate and improve their communication skills.

Regular mentoring is provided to students, covering both academic and non-academic activities.

**Programs Offered:**

- Master in Commerce (M.Com.)
- P.G. Diploma in Financial Services (P.G.DFS)
- Doctor of Philosophy in Commerce (Ph.D.)
- Personal Financial Planning (Value Added Course)

**Faculty Members' Details:**

Sl. No.	Faculty Name	Qualification	Designation	Specialization
1	Dr. Cirappa I.B.	M.Com., MBA., Ph.D.	Professor & Chairman	Accounting and Finance

### **13. INSTITUTE OF MANAGEMENT STUDIES (M.B.A.)**

<b>Year of Establishment:</b>	1992
<b>Approved by:</b>	AICTE – All India Council for Technical Education
<b>Programs Offered:</b>	M.B.A., Ph.D.
<b>Value Added Course:</b>	Tally- ERP
<b>Program Code:</b>	8003

#### **Profile of the Department:**

The Institute of Management Studies (IMS), Department of Studies in Business Administration, was established in 1992 with an initial intake of 28 students. Over the years, it has grown into a full-fledged institute with an annual intake of 120 students. The Institute offers a Master of Business Administration (MBA) program with specializations in Financial Management, Marketing Management, Human Resource Management, and Business Analytics. In addition, the Institute offers a Ph.D. program in Management, fostering advanced research and scholarly contributions.

#### **Vision:**

To become a centre of excellence in teaching, training, research, and consultancy in management by imparting relevant and quality education and empowering all sections of society to meet global challenges.

#### **Mission:**

- Provide quality global education to meet the ever-changing needs of the business environment.
- Disseminate management knowledge for the benefit of different sections of society.
- Provide high-quality consultancy and research services to the corporate world.

#### **Highlights of the Institute:**

- Faculty publications in national and international journals.
- Participation in seminars, workshops, and Faculty Development Programs.
- Organization of workshops and seminars on management and industry-related issues.
- Expert lectures and industry interaction sessions.
- Publication of the institute newsletter 'Avishkar'.
- Library with more than 3,000 volumes, journals, and magazines.
- Computer laboratory with LAN connectivity and internet facilities.
- Separate audio-visual room equipped with multimedia facilities.
- Conference hall accommodating around 320 delegates.
- Registered Alumni Association conducting annual meets.
- Funded research projects.

#### **Programs Offered:**

- MBA (Master of Business Management) with specializations in Financial Management, Marketing Management, Human Resource Management, and Business Analytics.
- Ph.D. in Management.
- **Value Added Course:** Tally ERP.

## 14. DEPARTMENT OF STUDIES IN BIOCHEMISTRY

### Profile of the Department:

The Department of Studies in Biochemistry has successfully completed 33 years of its existence. The Department is presently offering M.Sc. Biochemistry, and Ph.D. programs in major fields of Biochemistry such as Cancer Biology, Plant Biochemistry and Natural Products, Biodegradation, Biotransformation and Biocatalysis. The Department has produced about **833** Biochemistry Post-graduates, more than 98% of them passing either in First class or higher.

The faculty members of the Department are active in teaching and research. Faculty members of the Department have published more than 150 papers in International and National peer-reviewed journals. Major research projects have been sanctioned to faculty members of the Department by DBT, DST, DAE-BRNS, UGC, ICMR and VGST with the grants to the tune of Rs.4.3 crore. The Department has adequate research facilities such as Animal Cell Culture Laboratory, Plant Tissue Culture Laboratory and Microbiology laboratory for Biodegradation and Biotransformation. The Department has also entered into collaborative research with Industries, pioneer Institutes. The Department organizes International/National seminars, workshops, symposia and webinars inviting eminent Professors and Scientists from various Universities, Institutes and Industries across the country, to enable the faculty, research scholars and students for updating their knowledge. The Department has Society of Biological Chemists (India), Branch since March, 2001.

### Vision:

To develop the Department into a high-tech research oriented Department with emphasis on value addition.

### Mission:

Commitment to Teaching and Research, and to provide world-class teaching using modern laboratory facilities for our valued students at affordable fee.

### Highlights of the Department:

**On Academic:** The department offers programs that cover both basic and applied aspects of life science. The syllabus is oriented towards clearing NET/SLET and other competitive examinations.

### On research:

#### The Thrust Areas of Research include,

- Plant Biochemistry and Natural Products.
- Biodegradation, Biotransformation and Biocatalysis

**Major Facilities in the Department:** Animal Cell Culture laboratory, Green house, CO<sub>2</sub> Incubators, Ultra Freezers (-20<sup>0</sup> C & - 80<sup>0</sup>C), Lyophilizers, Fluorescence Microscope, Ultra Sonicators, High-Speed Centrifuges, Fluorescence Spectrophotometer, Microplate Readers, UV-Vis Spectrophotometers, Orbital Shaking Incubators, Cooling Centrifuges, Analytical HPLC, Semi-preparative HPLC, RT-PCR, PCR Machines, Gel Documentation Systems, Fraction collector and Flourimeter.

**Research:** The faculty members of the Department have received Extramural Research Funding in recognition of their research contributions. They include DBT, DST, DAE-BRNS, ICMR and UGC, VGST of Government of Karnataka.

**On Extra curricular activities:** The department organizes special lectures, workshops and seminars regularly during every academic year on emerging areas of Biochemistry, inviting renewed scientists and academicians from Universities and reputed scientific organizations.

**Student-Faculty Interaction:** Apart from the classroom teaching, there is a lot of scope for student-faculty interaction through the group discussions, seminars and project work. There are also interactions on the lighter side through the co-curricular, cultural activities, sports activities and annual educational tour.

**On placement:** Many of the Alumni have been serving as faculty members in public and private Universities in Karnataka, academic institutions, as Scientists in R&D divisions, Quality control divisions in industries, some have started their own industries as entrepreneurs, and some have been pursuing Post-Doctoral research in reputed institutes and Universities in India and abroad. Many students of the Department have cleared CSIR-UGC/NET, ICAR-JRF, GATE and K-SET examinations.

**Programs offered:**

- M.Sc. in Biochemistry
- Ph.D. in Biochemistry
- **Short-term skill Development Courses (proposed for concurrent students of 2026-2027):**
  - a) Protein Analysis (during Semester-II)
  - b) Enzyme Technology (during Semester-III)
  - c) Plant Stem Cells (during Semester-IV)

**Faculty Members Details:**

Sl. No.	Name of the Faculty	Qualification	Designation	Field of Specialization
1.	Dr. Vadlapudi Kumar	M.Sc., M.Phil., Ph.D.	Senior Professor	Plant Biochemistry and Natural Products
2.	Dr. Santosh Kumar M.	M.Sc., Ph.D.	Assistant Professor	Biodegradation, Biotransformation and Biocatalysis

## **15. DEPARTMENT OF STUDIES IN BIOTECHNOLOGY**

### **Profile of the Department:**

Biotechnology has emerged as one of the leading fields in Biological Sciences. Most of the industries like pharmaceuticals, brewery, food and allied industries rely upon Biotechnology Post-Graduated candidates. In view of providing an opportunity to Biotechnology and other Biological science degree qualified students and to cater the need for industry/research, the University has introduced M.Sc. Biotechnology program in the year 2017-18.

### **Vision:**

Department of Biotechnology is a platform to provide quality education as well as research in biotechnology focusing on innovative ideas of improving socioeconomic conditions responsive to regional and national needs.

### **Mission:**

To facilitate comprehensive and effective training to the students in the application of biotechnological skills for the benefit of society.

### **Highlights of the Department :**

1. The syllabus has been framed in accordance with the modern trends with industrial relevance, research orientation and the curriculum requirement. Department has qualified, dedicated, skilled research oriented faculty members.
2. The faculty members of Department have received research funding from UGC, VGST, Davangere University seed money etc., in recognition of their research findings and published research articles in national and international peer reviewed journals.
3. Department encourages students to actively participate in various intra and inter university level sports and cultural activities.
4. More than 60% of output students from the Department have been successfully placed in different positions in reputable companies like Biovet Pvt Ltd, Labcorp Drug Development India Private Limited, Bangalore, Bioneds India Pvt. Ltd, Indo-MIM Pvt. Ltd., Bangalore, Trial Guna Clinical Research, Bangalore. Biocon Biologics Ltd. Bangalore, Molecular connections. Anthem Biosciences, Skanda Lifesciences, Bangalore etc.
5. Department encourages the concept of earn and learn by programs such as training students and rural youth in vermicomposting and apiculture etc.
6. Department has signed MOU with other institutes and industries to provide internships and placement assistance.

7. Industrial visits are part of the curriculum for enhancing the knowledge of the students.
8. Department encourages student for national level exams and competitions. As a result, many students have qualified for KSET and USG CSIR NET. Many have won prizes for presentations in the state level and national conferences

**Programs Offered:**

P.G. in Biotechnology

Ph.D. in Biotechnology

**Value Added Course:** Biotechnology for Rural Development

**Faculty Members' Details:**

## 16. DEPARTMENT OF STUDIES IN BOTANY

### Profile of the Department:

#### Departmental History and Career Milestones:

The Department of Studies in Botany at Davangere University, Shivagangothri, was established in 2012, and has been a cornerstone of advanced biological education, offering a premier post-graduate program designed to provide an outstanding platform for mastering both foundational and cutting-edge plant sciences. The curriculum is meticulously structured to empower students to seamlessly transition into successful future careers in either academic teaching or innovative scientific research. Reflecting this high standard of preparation, our graduates enjoy a wide array of distinguished career opportunities across prestigious national institutions such as the Botanical Survey of India (BSI), the Indian Council of Agricultural Research (ICAR), the National Bureau of Plant Genetic Resources (NBP.G.R), the Central Drug Research Institute (CDRI), and Plant Quarantine Divisions (PQD)—as well as in elite civil services like the Indian Forest Service (IFS), and specialized roles in Wood Science, plant-based pharmaceutical companies, and commercial seed industries.

#### Vision:

To impart quality education and research in plant sciences for societal and environmental benefits.

#### Mission:

To train, understand and discover plant sciences and technology for teaching, quality education need of students and stakeholders.

### Highlights of the Department:

#### Global Faculty Expertise and Exam-Oriented Academic Programs

The Department of Studies in Botany at Davangere University, offers a meticulously structured curriculum that seamlessly integrates both the foundational and applied dimensions of life sciences. Designed to foster competitive academic excellence, the syllabus is strategically oriented toward equipping students to clear prestigious national and state-level eligibility examinations, including CSIR-NET, SLET, and K-SET. This rigorous and high-achieving educational environment is driven by a distinguished team of well-qualified faculty members who bring invaluable international perspectives to the classroom, having garnered advanced research and scientific experience from reputed global institutions across USA, Malaysia, Singapore and Israel.

#### A Paradigm of Academic and Research Excellence :

The Department of Studies in Botany at Davangere University, Shivagangothri, continues to establish itself as a premier hub for scientific innovation and academic distinction. Over a prolific six-year span, the department has generated approximately ₹53 Lakhs in research grants, backed by prestigious funding including the UGC-BSR Start-Up grant (DUSMYTR), VGST K-FIST-L1, and student-led projects from KSTA and KSCST. Driven by a high impact research culture, faculty members have published 123 research articles accumulating an impressive citation index of 6,906, an h-index of 43, and an i10-index of 124-alongside 26 book chapters and 2 books. This innovative spirit is further underscored by the acquisition of two patents (US and Indian) and the establishment of 7 national and international collaborations, including a formal MOU with Bioneds Company, Bangalore.

**"Prof. Govindappa M.** has been distinguished globally by being featured in the prestigious list of the Top 2% of World Scientists published by Stanford University, USA."

"In the latest AD Scientific Index institutional rankings for Davangere University, Shivangothri, Prof. Kotresha D. and Dr. Manasa D. J. have achieved outstanding recognition, securing the 3rd and 7th research rankings respectively."

**Newly Discovered & Endemic Species**

*Sonerila bababudangiriensis* Karad. & Kakkal, *Sonerila charmadiensis* Karad. & Kakkal. And *Sonerila gigantea* Kakkal. & Karad. were newly described by Prashant karadkatti & Dr. siddappa kakkalmeli in Western Ghats & Karnataka, India & these plants indexed in POWO and Royal Botanic Gardens, Kew in London.

**More than 25 students** successfully qualified in the CSIR-NET, UGC-NET, and K-SET examinations between 2022 and 2026. These combined achievements underscore the department's rigorous research environment, high academic standards, and unwavering dedication to nurturing the next generation of scientific leaders.

**Program offered:**

- M.Sc. in Botany
- Ph.D. in Botany

## 17. DEPARTMENT OF STUDIES IN CHEMISTRY

### Profile of the Department:

The Department of Studies in Chemistry was established in 2010. The department is well known for its excellence in teaching and research and it has produced about 1000 Post-graduates, most of them passing either in first class or higher. The department provides an opportunity for post-graduates students to obtain thorough fundamental knowledge of all fields of chemistry. The students graduating from the department have been placed in industries, professional and academic institutions. The syllabus has been framed in accordance with the current trends in teaching, research and the curriculum requirement. The department has alumni association and mentor mentee system. The department has 9 teaching faculties. The faculty members of the department are actively engaged in research in frontier areas of chemistry and in interdisciplinary areas. The department has funded projects from various funding agencies like RSC, DST, UGC, VGST, KSCST etc. The department is offering Ph.D. program including course work and subsequent research in various topics. The department has well established research facility and MOU's with industries and R&D organizations.

### Vision:

- To achieve excellence in academics and research through national and international collaborations.
- To harness the precious human resources drawn from youth force for the industrial and overall development of the nation through the pursuit of excellence in Chemical Sciences.

### Mission:

- To ensure quality education.
- To promote scientific temperament.
- To disseminate assortment of theoretical knowledge with practical skills.
- To pursue academic excellence through quality teaching, research and publications.

### Programs Offered:

- M.Sc. in Chemistry
- Ph.D. in Chemistry
- **Value Added Course:** Electrochemical Science and Technology

## **18. DEPARTMENT OF STUDIES IN COMPUTER SCIENCE**

### **Profile of the Department:**

The Department of Computer Science was started in the year of 2010. The Department currently offering M.Sc. and Ph.D. programs in Computer Science.

### **Vision:**

The Department should excel and lead the education, research and innovation in computing and information technology, by contributing to the evolving needs of the world we live in.

### **Mission:**

To foster a dynamic academic environment with a cutting-edge curriculum and innovative educational experience to prepare graduates to succeed and lead in wide range of computing and information technology businesses and occupations.

- To be at the forefront of research through new and exciting innovations leading to the future of computing technologies.
- To collaborate within and beyond discipline to create solutions that benefit humanity and society.
- To seek innovation and excellence in teaching.
- To encourage and understand the diverse view points and logical thinking.

### **Highlights of the Department:**

The Department provides a student-centric learning environment with modern laboratories, smart classrooms, and collaborative learning spaces. Its CBCS-based curriculum, designed by academic and industry experts, emphasizes experiential learning, research, and innovation. Industry participation ensures exposure to current technologies and practical skills. The Department promotes research through its Ph.D. program and collaborative projects. Regular seminars, workshops, webinars, and conferences enhance academic and professional development. Strong placement support and outreach activities prepare students for successful careers and lifelong learning.

### **Why M.Sc. (Computer Science) at Davangere University?**

The M.Sc. (Computer Science) program at Davangere University offers a strong academic foundation through highly qualified and industry-experienced faculty, a curriculum focused on theoretical and practical learning, project-based education, and exposure to emerging technologies through seminars and workshops. Students benefit from interdisciplinary, management, and soft-skill programs that support holistic development.

The Department is equipped with modern IT infrastructure, including advanced computer laboratories for AI, IoT, Big Data Analytics and more. Campus - wide Wi-Fi, extensive digital and print learning resources, and IT-enabled classrooms. Placement and internship opportunities are further strengthened through the AICTE Career Portal. The department has a long-standing record of encouraging and assisting students in securing government-funded projects.

### **Programs Offered:**

- M.Sc. in Computer Science
- Ph.D. in Computer Science
- **Value Added Course:** Internet of Things.
- **Short term skill development course for M.Sc. (CS):** AI and Cyber Security.

**Faculty Members' Details:**

## 19. MASTER OF COMPUTER APPLICATIONS (MCA)

<b>Year of Establishment:</b>	2023-24
<b>Approved by:</b>	AICTE – All India Council for Technical Education AICTE Letter of Approval (LoA)-F.No. South-west/ 2023-34/1-43439297203 Dated:17-Jun-2023
<b>Program Offered:</b>	<b>Master of Computer Applications(MCA)</b>
<b>Program Code:</b>	C561

### Profile of the Department:

Master in Computer Applications (MCA) was started in the year 2023-24 with 60 intakes. The Pedagogy of MCA program has a practice-oriented approach to learning while integrating the elements of theory and practice. With an advanced level curriculum in the program, the students would be provided the required skillsets necessary to excel in this technology driven business environment. MCA program has been approved by AICTE body during the academic year 2023-24, LOA no. F.No.South-West/2023-24/1/43439297203 Dated: 17/06/2023.

### Vision:

To promote an excellent academic and research environment for innovation and development of software through sustainable technical education.

### Mission:

- To offer high-grade, value-based Post-graduate and Doctoral Programs in the field of Computer Applications.
- To utilize technical knowledge of students towards social issues through various group activities and events.
- To seek innovation and excellence in teaching.
- To encourage and understand the diverse view points and logical thinking.

### Highlights of the Department:

#### Program Objectives:

Master of Computer Applications (MCA) is a professional degree in Computer Science. MCA is a two year long professional Post-graduate degree program for students who deeply want to learn computer application development. The MCA program is a combination of both theoretical and practical knowledge. The Program includes software engineering, system development, natural computation, mathematical foundations and artificial intelligence.

- MCA Graduates will acquire the knowledge about the current technologies, trends, tools, theory of Computer Science and software development concepts to develop applications and to identify the potential problems where creative computer-based solutions can be applied to solve the problems.
- MCA Graduates will be successful software professionals in IT industry capable of assimilating new information and understanding newer technology and its application domain to provide efficient and effective software solutions wherever possible.
- MCA Graduates will inculcate the skills of communicating proficiently and collaborate successfully with peers, colleagues and organizations for higher studies, research and entrepreneurship to create new applications for the betterment of the society and their better future.
- The Department Offer Short-Term Skill Development Program for P.G. Students: **Artificial Intelligence and Cyber Security.**

**Facilities:**

- Well-equipped Computer laboratories
- Campus wide Wi-Fi
- Well-furnished seminar halls, tutorial rooms, and conference rooms, IT enabled class room and Labs.

**Faculty Member's Details:**

## 20. DEPARTMENT OF STUDIES IN CRIMINOLOGY AND FORENSIC SCIENCE

### Profile of the Department:

The Post-Graduate Department of Criminology and Forensic Science started functioning in August-2018 at Shivangothri Campus Davangere University, Davangere. The Department has completed Eight years. The Department imparting knowledge from among the students on compulsory theory papers with practical's based on laboratory experiments, besides field work, study reports based on institutional visits during the program. The Department is inculcating curiosity among the students by motivating the importance of studies in the field of criminology and forensic science. During the third and fourth semester the institutional visits like police, prison, courts, forensic science laboratory, correctional institutional, medical colleges in particularly to the mortuary etc. the Department also would like to visit the Department of women and child development, women reception centres and others.

### Vision:

The Department emphases to create an atmosphere in prevention of crime with the help of Law enforcing agencies like Police, Prosecution, Judiciary, Prison and Correctional institutions and inculcate the students to develop themselves as law enforces.

### Mission:

To empower and develop the criminological competence of the students to serve as crime prevention, detection and correctional activist, resource persons, researchers in the field of law enforcing agencies besides, correctional staff.

### Programs Offered:

- M.Sc. in Criminology and Forensic Science
- **Value Added Course:** Community and Policing (CAP)

### Faculty Members' Details:

## 21. DEPARTMENT OF STUDIES IN ENVIRONMENTAL SCIENCE

### Profile of the Department:

Environmental Science has emerged as one of the leading fields in science subjects. Every industry like Iron and Steel, Pulp and Paper mill, Pharmaceuticals, Brewery, Food and allied industries must have Environmental Science Post-Graduation qualified Environmental Officer. In view of providing an opportunity to Environmental Science and other science degree qualified students and to cater the need for industry/research, the University has introduced M.Sc. Environmental Science program in the year 2020-21 with CBCS scheme. The syllabus has been framed in accordance with the modern trends with industrial relevance, research orientation and the curriculum requirement. Department of Studies in Environmental Science has qualified dedicated skilled research-oriented faculties. The Department of Environmental Science has well pledged laboratories and ICT enabled classrooms. The department has student forum which acts as a platform for the students to showcase their talents in academic and also co-curricular activities. The department has mentor mentee system to support over all development of students. The department organizes invited talks from highly qualified resource persons and take students to field studies like ecosystems, industries and research institutions.

### Vision:

Department of Studies in Environmental Science is a platform to provide quality education as well as research to focus on innovative ideas of improving environmental quality in response to regional and national needs.

### Mission:

To facilitate comprehensive and effective teaching and training to students in the application of Environmental Science skills for the benefit of society.

### Highlights of the Department:

#### Program Specific Objectives:

- To create and disseminate knowledge to the students about environmental problems at local, regional and global scale.
- To provide practical training on modern instrumentation and analytical techniques for environmental analyses.
- To sensitize students towards environmental concerns, issues, and impacts of climate change and related mitigation strategies.
- To make the students to apply their knowledge for efficient environmental decision-making, management and sustainable development.
- To prepare students for successful career in environmental departments, research institutes, industries, consultancy and NGOs, etc.

#### Program Outcomes:

- Understand the basic concepts of Environments and its components along with their interactions through study of Ecology, Biodiversity, Environmental Chemistry, Environmental Microbiology, Environmental Biotechnology, Physics, Geology and Remote Sensing etc.,
- Understand the different kinds of Pollutions and their sources through study of Climate and Air Pollution Studies, Hazardous Waste & Environmental Toxicology and Soil Pollution and different laws about pollution.
- Use of different tools for the management of Environment, Energy resources, Solid waste, Biodiversity conservation through the Environmental Analytical Techniques, Wastewater Treatment Technology, Biostatistics, Remote Sensing, Geographical Information System, Disaster Management Concepts, Industrial health and Safety tools, Occupational hazards identification systems and other methodologies.

**Career opportunities and Placements in Environmental Science:**

M.Sc. Environmental Science graduates have excellent job prospects across private companies, government agencies, and research bodies. Common career paths include becoming an Environmental Consultant, ESG Manager, Sustainability Manager, or EHS (Environment, Health, and Safety) Officer. Graduates also find roles in waste management, climate analysis, and environmental policy. So they have opportunities as Environmental scientist, officers, auditors, and moderates. They also have a possibility of selection as officers under ministry of environment forest and climate change. Graduates can become officers and members in all sector of central and state government department and boards.

**Programs Offered:**

- M.Sc. in Environmental Science
- Ph.D. in Environmental Science

**Faculty Members' Details:**

Sl. No.	Name of the Faculty	Qualification	Designation	Specialization
1.	Dr. Pramod S.N.	M.Sc., Ph.D.	Coordinator	Food Allergy and Immunology
2.	Dr. Veeresh S.J.	M.Sc., M.Phil., Ph.D.,	Assistant Professor	Environmental Biotechnology. Solid Waste Management. Environmental Laws, Standards and Audits.
3.	Dr. Gayatri Vaidya	M.Sc., Ph.D.	Assistant Professor	Solid Waste Management. Biofuel Technology and Biodegradable Packaging Technology.
4.	Dr. Sharadadevi Kallimani	M.Sc., Ph.D.	Assistant Professor	Environmental Pollution control. Nano remediation. Phytoremediation.
5.	Dr. Santosh Kumar S.R.	M.Sc., Ph.D.	Assistant Professor	Food Biotechnology. Phytochemistry. Plant tissue culture. Pharmacology.

## **22. DEPARTMENT OF STUDIES IN FASHION DESIGN**

### **Profile of the Department:**

Fashion Designing is one of the exceptionally beneficial and dazzling career option which opens to the various domain of opportunities for anyone with a passion in this field.

The Department of Studies in Fashion Design was established in the year 2019 at Davangere University to offer students an opportunity for designing their career in Fashion & Apparel Industry with the scaffolding of highly-qualified, disciplined and dedicated staff-members. Fashion design program covers the gamut of basic construction of clothing, textiles; patternmaking, tailoring and computer assisted drawing and portfolio development so that prospective designers have a fighting chance in a competitive world.

### **Vision:**

The Department of studies in Fashion Design will focus on creating globally-competitive, creative and innovative graduates for the garment industry through a strong emphasis on holistic education, research, training, industrial linkages and social responsibility initiatives.

### **Mission:**

To provide education with innovative, contemporary and structured curriculum, up-to-date technology, pedagogy, industry & foreign collaborations.

The Program helps to streamline the students to collaborate with fashion, textiles and design industries which concurrently help to achieve a sustainable progress and apply professional knowledge for the betterment of mankind.

### **Highlights of the Department:**

The Program comprises of four semesters including, communication skills, language labs, overall personality development, fashion illustration, styling, ornamentation, textile and design studies, fashion illustration, sewing technology, fashion merchandising, apparel quality, pattern development and comprehending the transformation of garment making by the art and science of Apparel Design, Construction & Production to the ever flourishing Fashion Industry, Fashion Marketing and Retailing. There is plethora of opportunities for the students who have pursued M.Sc. in Fashion design in various industries across the world. Some of which have been listed below:

- Fashion Designer, Fashion consultant, Fashion stylist
- Garments Manufacturing Industry.
- Merchandisers, managers, trainers.
- Textiles research, designing and Development
- Fashion Journalism
- Research and development

### **Program Offered:**

- M.Sc. in Fashion Design

### **Faculty Member's Details:**

Sl. No.	Name of the Faculty	Qualification	Designation	Specialization
1	Dr. Jayraj M. Chickpatil	M.F.A., M.Phil, Ph.D.	Coordinator	Applied Art

## 23. DEPARTMENT OF STUDIES IN FOOD TECHNOLOGY

### Profile of the Department:

The Department of Studies in Food Technology was established in the year 2005-06 at P.G. Centre of Kuvempu University, Davangere with the supporting teaching staff from Department of Biochemistry with M.Sc., (Food technology) program. In the year 2009 the Department of studies in Food Technology has become independent and fully functional under newly established Davangere University. In 2019, the Department is expanded with the greater facilities and moved into the present new building and empowered with highly skilled young and energetic permanent faculties who are the academic catalyst at the Department to build and prosper the academic and research initiatives at the Department.

### VISION:

To be a leading Food Technology Department that imparts quality technical education with strong research component, to develop solutions in the field of food & nutrition, health and environment.

### MISSION:

To provide quality technical education in a conducive learning environment to produce professionals, researchers with a zeal for lifelong learning and a commitment to society.

### Highlights of the Department:

- **Academic programs and Infrastructure:** The Department overall completed 21 glorious years of inception. The department besides M.Sc., and Diploma program also offers Ph.D. programs in major fields of Food Technology. The Department Food Technology has well established two ICT enabled class rooms and two adequate well-equipped student teaching laboratories. The Labs are wide, spacious and provided with all the amenities with minor and major laboratory equipment's that are required for the execution of skill based practical experiments for Food technology studies and training.
- **Research and Development:** The Food Technology Department has successfully established Research centre for Nanoscience and technology (RCNT), Food processing centre (FPC) to provide research and skill training to students. It had established MoU with Universities, Institutes and industries of national and international repute and excellence in Food technology to promote student exchange and collaborative research in various streams of Food Technology. The Department had received research grant from national and state funding agencies and efficiently integrating many projects related to food applications.
- **Curricular and Co-curricular:** The Department promotes student extracurricular activities by regularly organizing seminar, conferences and workshops. It had established student Food tech Forum and AFST(i) Davangere chapter, through which fortnight lecture series are organized by inviting experts from Industries, Institutes and Universities. The Department also supports sports day, cultural and other extracurricular activities and encourages student's involvement and academic development.
- **Placement and Outreach:** The students have high opportunity in industry employability with more than 80% placement within a year of their program completions. The students are encouraged for higher education to join PhD program and Department organized industry/industry experts visits to promote placements as a part of it also collaborates with MSW Department for nutritional survey by organizing camps social activity and to give awareness program on nutrition, food hygiene and malnutrition at various villages comes under Davangere University. Special emphasis will be given to conduct certification coarse to final year students in keeping view of their placement.

**Programs Offered:**

- M Sc. in Food Technology
- Ph.D. in Food Technology
- **Skill Based Courses:** 1. Food Nanotechnology;  
2. Food formulation and Product Development
- **Value added Courses:** Food, Safety, Security and Regulations;  
Food Hygiene and Culinary Science

**Faculty Member's Details:**

Sl. No.	Name of the Faculty	Designation	Qualification	Specialization
1	Dr. Ravikumar Patil H.S.	Professor	M.Sc., M.Phil., Ph.D.	Food Microbiology
2	Dr. Pramod S N	Professor	M.Sc., Ph.D.	Food Biochemistry and Immunology
3	Dr. Sharath R	Professor	M.Sc., Ph.D.	Nutraceutical and Food Nanotechnology
4	Dr. Shankar J	Professor & Chairman	M.Sc., Ph.D.	Nutrition and Cancer Biology
5	Dr. Paramesh M	Professor	M.Sc., Ph.D.	Nutrition and Food Biotechnology
6	Dr. Sadashiv S O	Assistant Professor	M.Sc., M.Phil., Ph.D.	Dairy Microbiology
7	Dr. Poornima D V	Assistant Professor	M.Sc., M.Phil., Ph.D.	Nutrition and Food chemistry
8	Dr. Venkatesh	Assistant Professor	M.Sc., Ph.D.	Food Biotechnology

## 24. DEPARTMENT STUDIES IN MATHEMATICS

### Profile of the Department:

The Department of Studies in Mathematics was established in 2010 with the objective of promoting higher education and research in Mathematics. Since its inception, the Department has been offering post-graduate and doctoral programs leading to M.Sc. and Ph.D. degrees. Over the years, it has evolved into a vibrant centre for teaching, learning, and research, dedicated to advancing knowledge in Mathematical Sciences.

### Vision:

To have a long lasting impact of mathematical education on the society in order to imbibe the aid to multidisciplinary streams, to come out as a leading Department throughout the nation and getting worldwide recognition for the efficient research work.

### Mission:

- To mould and prepare budding mathematicians equipped with strong fundamental principles and logical understanding of Mathematics, to face the challenges of future and multidisciplinary environment providing to the real world problems.
- To cultivate hard work as well as smart work as to be recognized as the intellectual academic body globally in all the aspects in order to support the best practices and provides opportunities of the researchers of this field.

### Highlights of the Department:

In a relatively short span, the Department has established itself as a distinguished centre for both teaching and research. The faculty members actively pursue research in diverse areas, including Differential Geometry, Complex Analysis, Computational Fluid Dynamics, Fractional Calculus, Combinatorics, and Graph Theory.

The Department have awarded 31 Ph. D 's in different specializations, 04 students have submitted thesis and at present 32 scholars are pursuing their Ph. D. degrees, contributing to the department's mission of fostering innovation and excellence in mathematical sciences.

The Department is committed to equipping students with the knowledge and skills required to meet contemporary challenges in Mathematical Sciences. To achieve this, innovative teaching methodologies, modern mathematical software, and a regularly updated curriculum are integrated into the teaching-learning process.

During the academic year 2025–26, the Department published a total of 104 research articles in reputed national and international journals. The Department recorded the highest citation count and H-index among all the departments of Davangere University, reflecting its outstanding research performance and academic impact.

### Faculty Achievements:

Prof. U. S. Mahabaleshwar, Prof D. G. Prakasha and Prof B. C. Prasannakumara **have** been recognized among the top 2% scientists worldwide by Stanford University, USA. Prof. U. S. Mahabaleshwar holds an honorary professorship from Hungary's Miskolc University. The University of Tarapacá in Chile has awarded a visiting professorship to Prof. Mahabaleshwar. Prof. B. C. Prasannakumara have been awarded Sir C. V. Raman Young Scientist Award for the year 2023 in Mathematical Sciences, instituted by the Government of Karnataka. Professors Prakasha D.G. and Prasannakumara B.C. have taken up visiting professorships at Yeungnam University, South Korea. Prof. Prasannakumara B.C. held a position as a visiting professor at the University of West Attica in Athens, Greece. Prof. Prasannakumara delivered an invited talk and presided over a technical session at the International

Conference on Emerging Trends in Science, Technology, and Management held at Suranaree University of Technology (SUT) in Korat, Thailand.

- Highly qualified and experienced faculty members.
- Well-structured M.Sc. Mathematics curriculum with emphasis on pure and applied mathematics.
- Special lectures, seminars, workshops, and guest talks by eminent mathematicians.
- Regular student seminars, project work, and research-oriented activities.
- Guidance for competitive examinations such as NET, SET, GATE, and CSIR-NET.
- Encouragement for participation in conferences, mathematical competitions, and outreach programs.
- ICT-enabled teaching and learning methods.
- Strong mentoring and academic support system.
- Opportunities for interdisciplinary research and collaborations.
- Excellent academic results and progression to higher studies and careers in teaching, research, industry, and data science.
- Research Scholars are encouraged to undertake academic and research visits to internationally reputed universities and research institutions.

**Programs Offered:**

- M.Sc. in Mathematics
- Ph.D. in Mathematics

**Faculty Members' details:**

Sl. No.	Name of the Faculty	Qualifications	Designation	Specialization
01	Dr. Mahabaleshwara U.S.	M.Sc., M.Phil., Ph.D.	Professor & Chairman	Fluid Mechanics
02	Dr. Prakasha D.G.	M.Sc., Ph.D.	Professor	Differential Geometry. Fractional Calculus.
03	Dr. B.C. Prasannakumara	M.Sc., Ph.D.	Professor	Fluid Mechanics
04	Dr. Mahesh Barki	M.Sc., Ph.D.	Assistant Professor	Complex Analysis
05	Dr. Chetana Gali	M.Sc., Ph.D.	Assistant Professor	Advanced Graph Theory
06	Dr. Raghunatha K.R.	M.Sc., Ph.D.	Assistant Professor	Fluid Mechanics
07	Dr. Ashwini Yalnaik	M.Sc., Ph.D.	Assistant Professor	Advanced Graph Theory
08	Dr. Ranganath M.S.	M.Sc., Ph.D.	Assistant Professor	Advanced Graph Theory

## 25. DEPARTMENT OF STUDIES IN MICROBIOLOGY

### Profile of the Department:

The Department offers Post-graduate program in Microbiology at Davangere University, Central Campus, Shivagangothri, Davangere. Being pioneering department which was well established in the lush green campus started by Kuvempu University during the academic year 1993-94. Students who have passed U.G. degree in biological science are eligible for the admission. Post-graduation program covers both basic and applied aspects of Microbiology like Microbial diversity, Physiology, Genetics, Environmental Microbiology, Molecular Biology, Immunology, Agricultural Microbiology, Phytopathology, Medical Microbiology, Food Microbiology, Industrial Microbiology and Biotechnology. The department is having state of art facility with well-equipped laboratories with Two Senior Professors, Two Professors and an Assistant Professor. The Professors are having an average of 25 years of experience in the field of microbiology and applied research to cater quality education to the pupil. The department has established good alumini network to bridge the gap between industry and academia. The department offers Ph.D. Program in Microbiology and awarded more than 20 Ph.D. degrees to the resrach students.

### Vision:

To produce skill oriented, human resources in the field of Microbiology.

### Mission:

- To encourage students to take up higher studies in microbial sciences as their career.
- To train the students to meet the contemporary present challenges in industry and academics.
- To pursue and publish good research articles in reputed journals.
- To establish value and need based education in Microbiological aspects.
- To contribute a sustainable development of the society through Microbiology education.

### Highlights of the Department:

The Department has established MoU with institutes, industries and universities of national and international repute to promote student exchange and collaborative research in various streams of Microbiology. The department has received research grant from national and state funding agencies like UGC, DBT, DAE-BRNS, VGST-RFTI, KSTePS,-KSCST, KSTA. etc and efficiently integrating many projects related findigs to various disciplines of microbiology curricular aspects. In order to scale-up the level of expertise and increase the suitability of our students to the current job market, the department has started offering a number of Short term, Value added and Certificate courses.

**Academic:** The Department of offers P.G. and Ph.D. programs covering syllabus of basics of Microbiology with the broad spectrum of industrial applications and grant by CSIR-JRF, NET/SLET and other National competitive exams.

**Research:** The department has received many grants from National and State funding agencies like UGC, Ministry of Atomic Energy, Govt. of India, Ministry of Science and Technology, Govt. of India, Vision Group Science and Technology, Govt. of Karnataka, KSCST and DUSMYTR. The faculty have good number of publications in International and National reputed journals. Both faculty and students have presented their research work at International and National level conference/symposium.

**Co-curricular and extra-curricular activities:** The Department regularly organisation co-curricular activities like field visits industrial visits, organisation of special lecture series, environmental day, International women's day, national Science day and sports day.

**Placement:** The department invites placement drive by reputed Companies to the campus and students are being selected through campus, and students also recruited through off campus mode. The department has got more than 90% placement every year. Strong Alumni network guide the students to increase the chance of appointment in MNCs and reputed industries.

**Outreach:** The Department organizes many out-reach programs to create awareness on hygiene and Entrepreneurship development focusing on rural population.

**Programas Offered:**

- M.Sc. in Microbiology
- Ph.D. in Microbiology

**Faculty Members' details:**

Sl. No.	Name of the Faculty	Qualification	Designation	Specialization
1	Dr. S. Shishupala	M.Sc., M.Phil., Ph.D.	Professor	Fungal metabolites. Phytopathology. Immunotechnology.
2	Dr. Gayathri Devaraja	M.Sc., Ph.D.	Senior Professor & Chairperson	Environmental Biotechnology. Medical Microbiology.
3	Dr. Ramalingappa	M.Sc., Ph.D.	Senior Professor	Bioprocesses. Fermentation Technology.
4	Dr. Virupakshaiah. D.B.M.	M.Sc., Ph.D., P.G.D.	Professor	Microbial Biotechnology. Bioinformatics
5	Dr. Shivaveerakumar S.	M.Sc., Ph.D.	Assistant Professor	Microbial Diversity. Actinomycetes. Bioactive molecules.

## 26. DEPARTMENT STUDIES IN PHYSICS

### Profile of the Department:

**Department of Studies in Physics** was established in **August 2010**, committed to academic excellence, scientific inquiry, and research innovation. The Department offers a **two-year M.Sc. program** and a **Ph.D. program** in Physics, providing students with a strong foundation in both theoretical and experimental aspects of the discipline.

The M.Sc. curriculum is carefully designed to cover core and advanced areas of Physics, including **Quantum Mechanics, Classical and General Physics, Nuclear Physics, Spectroscopy, Electronics, Instrumentation, quantum computing, and Condensed Matter Physics**. Students gain extensive laboratory experience and are encouraged to engage in research-oriented learning through seminars, workshops, symposia, invited lectures, and project work.

The Department maintains a vibrant research environment supported by qualified faculty members actively involved in interdisciplinary and application-oriented research. Research activities focus on the development and characterization of advanced functional materials for **energy storage devices such as batteries, and supercapacitors, gas sensing, electromagnetic interference (EMI) shielding materials, optoelectronic devices, and forensic applications**. Faculty members also pursue research in **radiation-induced tuning of material properties, atomic and molecular spectroscopy, solid-state physics, condensed matter physics, and materials science**.

The Ph.D. program promotes independent research and innovation, enabling scholars to contribute to nationally and internationally relevant scientific challenges. Through a blend of academic learning, research exposure, and skill development, the department prepares students for successful careers in academia, research laboratories, industry, and emerging technology sectors.

### Vision:

To strive for excellence in Physics education and research through knowledge creation, dissemination, and innovation, contributing to the development of a scientifically enlightened society.

### Mission:

- To provide quality education and promote scientific temperament.
- To integrate strong theoretical foundations with practical and research skills.
- To foster academic excellence through teaching, research, innovation, and publications.
- To develop socially responsible and scientifically competent citizens.
- To encourage interdisciplinary research addressing contemporary scientific and technological challenges.

### Highlights of the Department:

**Experienced Faculty and Modern Curriculum:** A team of highly qualified permanent faculty members supported by a continuously updated curriculum and well-equipped laboratories.

**Active Research Culture:** Faculty members are engaged in cutting-edge research projects supported by national and state funding agencies such as UGC, UGC-DAE, VGST, DST-SERB, and ANRF.

### Research Areas of Excellence:

- Advanced materials for batteries and supercapacitors
- Electromagnetic interference (EMI) shielding materials
- Gas sensing materials
- Optoelectronic materials and devices
- Radiation physics and radiation-induced modification of material properties

**Davangere University Estd:2009**

- Molecular spectroscopy
- Solid-state and condensed matter physics
- Materials science and nanotechnology
- Physics applications in forensic science

**SPECTRUM – Physics Forum:** A student-led platform that organizes academic, co-curricular, and extracurricular activities, fostering scientific interaction and leadership.

**Strong Alumni Network:** Active collaboration with alumni to enhance placement opportunities, higher education prospects, and professional development.

**Research-Driven Learning:** Mandatory student projects and research activities provide early exposure to scientific investigation and innovation.

**Programs Offered:**

- M.Sc. in Physics
- Ph.D. in Physics

**Faculty Members' details:**

Sl. No.	Faculty Member	Designation	Specialization
1	Dr. Muttanagoud N. Kalasad	Professor	Solid State Physics
2	Dr. K.M. Eshwarappa	Professor & Chairman	Nuclear and Radiation Physics
3	Dr. Shashikala B. Yalagi	Assistant Professor	Atomic and Molecular Physics
4	Dr. Soumya S. Bulla	Assistant Professor	General Physics
5	Dr. Prasanna G.D.	Assistant Professor	Solid State Physics
6	Dr. Ashwajeet J. S.	Assistant Professor	Solid State Physics and Materials Science
7	Dr. Gowtham G.K.	Assistant Professor	Solid State Physics
8	Dr. Amith Yadav H.J.	Assistant Professor	Condensed Matter Physics

## 27. DEPARTMENT OF STUDIES IN YOGIC SCIENCE

### Profile of the Department:

Yoga is a unique contribution to the world from our ancient culture. It is a universal and evolutionary science that deals with philosophical as well as practical aspects of life. Yogic Science teaching lead to stress-free life enrolling body, mind and soul trinity taking into cognizance.

Davangere University has started M.Sc. Yogic Science Program in the year 2018. Department will provide an opportunity to students and scholars to work in this area of India's rich heritage. In a span of four years of its establishment, students of the Department have qualified UGC JRF and UGC NET, and brought laurels to the University by winning prizes and awards in Interuniversity, State and National level competitions. Some of the students are qualified to compete at International level competitions.

### Vision:

Our vision is to provide quality oriented Yoga education, enhance the reputation as a high class teaching and research institution.

### Mission:

- To strive to become a skill oriented, premier centre of teaching and research in yogic science.
- To promote students achievement and prepare them for global competitiveness in yoga.
- Programs will provide new avenues for the students to learn, practice and propagate the yoga.
- To establish a value based and need based yogic practices and education.
- Our Department aims to provide awareness about health and to contribute a sustainable development in the society.

### Highlights of the Department:

**On academic:** In a span of four years of its establishment, students of the Department have qualified JRF and NET, and brought laurels to the University by winning prizes and awards at University, State and National level competitions.

**On research:** On par with academics our students have designed a unique research in yoga therapy within and around the university campus. Regular Educational Visit to Various Esteemed Institution. Organising Health Awareness Program for University Students and Staff.

**On Placement:** Completed Students are requited in Various Schools, Colleges and Yoga Organisation.

### Programs Offered:

- M.Sc. in Yogic Science
- P.G. Diploma in Yoga
- Certificate Course in Yoga Therapy
- Value added courses

### Faculty Members' details:

Sl. No.	Name of the Faculty	Qualification	Designation
01.	Dr. Siddappa B. Kakkalmeli	M.Sc., B.Ed, M.Phill, Ph.D., P.G. Diploma in Yogic Science	Coordinator
02.	Mr. Suman N.S.	M.Sc., NET	Teaching Assistant
03.	Mr. Madhusudan R.	M.Sc.,	Teaching Assistant
04.	Miss. Kavya T.	M.Sc.,	Teaching Assistant

## 28. DEPARTMENT OF STUDIES IN ZOOLOGY

### Profile of the Department:

The Department of Studies in Zoology, Davangere University, Davangere, had its inception in the year 2014. The Department offers Post-Graduation and Ph.D. program in Zoology.

### Vision:

To be centre of excellence through the process of learning, teaching and research in animal sciences.

### Mission:

- To develop competent and responsible Zoologists.
- To inculcate new tools and techniques for high quality research.
- To create awareness regarding protection and conservation of environment.
- To train students who would become teachers par excellence and excel in quality research and innovations.

### Highlights of the Department:

**On Academic:** The Department offers programs that cover both basic and applied aspects of life science. The syllabus is oriented towards clearing CSIR-NET/SLET and other competitive examinations.

**On Research:** The faculty of the department have been granted with UGC-BSR start-up and DUSMYTR grants for carrying out research projects. Faculty and students have presented their research works in various international and national conferences and published the original research articles in reputed publishing journals/houses.

### Programs Offered:

- M.Sc. in Zoology
- Ph.D. in Zoology
- **Value added course:** Aquaculture and by-products

### Faculty Member's Details:

Sl. No.	Name of the Faculty	Qualification	Designation	Specialization
01	Dr. Ambarisha Chabbi	M.Sc., Ph.D.	Assistant Professor & Coordinator	Fish Neuroendocrinology and Reproduction
02	Dr. Renuka C. Khaple	M.Sc., Ph.D.	Assistant Professor	Neuroendocrinology and Reproductive Physiology
03	Dr. Sreenivasa G.	M.Sc. Ph.D.	Assistant Professor	Human Genetics
04	Smt. Reshma M.D.	M.Sc. (Ph.D.)	Assistant Professor	Human Genetics

## 29. DEPARTMENT OF STUDIES IN EDUCATION

### Profile of the Department:

The Department of Education was established in 2006-07 and recognized by the National Council for Teacher Education, New Delhi (NCTE). The department is committed to deliver quality pre-service teacher training programs and research. The department offers M.Ed. and Ph.D. Programs to prepare reflective teachers and school administrators who possess the professional knowledge, skills and dispositions necessary for effective teaching in a globalized society. The department focuses on developing in every student the foundations of education and skills required for teaching. Major thrust areas of the department include Inclusive Education, Curriculum Development and Research Methodology.

### Vision:

"CREATING ENLIGHTENED TEACHERS TO ENLIGHTEN THE WORLD"

### Mission:

- To provide excellent pre-service teacher education to develop professional teaching competencies among student-teachers.
- To undertake, assist, promote and coordinate research in all aspects of teacher education to address significant challenges.
- To establish linkages between national, state, and district-level bodies to bring about quality improvement.
- To develop and maintain exemplary programs that serve as teaching models, research and service for education administrators, teachers and children.
- Aiming towards enabling the student-teachers to emerge as efficient teacher-educators and take leadership positions to improve the quality of education around the globe.

### Highlights of the Department:

**Duration:** The M.Ed. program shall be for two academic years, including field attachment for a minimum of 4 weeks and a research dissertation. Student-teachers shall be permitted to complete the two-year program's requirements within a maximum period of three years from the date of admission to the program. The summer should be used for field attachment/practicum/other activities.

**Internship and Attachment:** Field attachments/internships/immersion will be facilitated by organizations and institutions working in teacher education. Student-teachers are allowed to undertake the defined activities under the close mentorship of faculty. The activities will end up in a recorded form. The assessment is based on their performance while doing the training and based on records prepared by them. The internship focus is to engage the student-teachers with field-based situations and provide opportunities for reflection and writing.

**Assessment:** For each theory course, 30% weightage shall be assigned for continuous internal assessment and 70% for examination conducted by the examining authority. The weightage for the internal and external assessment for theory and practical courses shall be as prescribed by the university.

**Awards to the Faculty:** Shikshana Sevaratna State Award by Kannada Film Chamber (R), Bangalore has been awarded to Dr.Venkatesha K., Professor & Chariman, Dean, Faculty of Education and Shikshana Sevaratna State Award has been awarded to Dr. Rangaswamy C for the work in Master of Education.

**Programs Offered:**

- Master of Education (M.Ed.)
- Ph.D. in Education

**Faculty Member's Details:**

Sl. No.	Name of the Faculty	Qualification	Designation	Specialization
1	Dr. Venkatesha K.	M.A., M.Ed., Ph.D.	Professor & Chairman Dean, Faculty of Education	Teacher Education
2	Dr. Rangaswamy C.	M.A., M.Ed., M.Phil., Ph.D., D.W.S.	Assistant Professor	Teacher Education
3	Dr. Chethana Kumara K.M.	M.A., M.Ed., Ph.D.	Assistant Professor	Teacher Education

### 30. DEPARTMENT OF STUDIES IN MASTER OF PHYSICAL EDUCATION (M.P.Ed.)

#### Profile of the Department:

The Department of Physical Education was introduced in the academic year, 2019-20, and classes commenced in the same year. M.P.Ed. program follows the four semester aggregate system. Considering the significant progress made in the field, the University Administration felt the need to introduce the M.P.Ed. program. The objective of the program is to prepare competent professional teachers to meet the challenges in the field of physical education and sports. The syllabus has been designed with a vision to address employment opportunities and social concerns, with reference to current developments. The admission process begins in July – August, and candidates must ensure that they meet the minimum marks requirement in their post-graduate degree, as prescribed by the University.

#### Vision:

The vision of the Department is to provide personal intellectual and professional growth of its student Teacher and Teacher Education to produce ideal physical Education Teacher with emphasis on man making and character building Education.

#### Mission:

- To empower all individuals to sustain regular, lifelong physical activity as a foundation for a healthy, productive and fulfilling life.
- Preparing Physical Education Teacher of higher calibre both in theory and practicals.
- To serve as a Centre of Excellence for training the Sports person in various sports and games.
- Aspiring for global standards of quality teaching research and publications and commitments to service to the community.
- Imbibing Indian culture values and work ethics in the mind of the student teacher.

#### Highlights of the Department:

**On Academic:** The Scheme of the Teaching and Evaluation of the programs are designed by the team of experts with the reference of N.C.T.E. Providing strong practical perspective through continuous interaction with professional players and physical Educationalists. Conducts student’s centric activities like Intramural program, intercollegiate tournaments. Conducts students Series of Special lectures by eminent academicians, and sports coaches.

#### Programs Offered:

- Master of Physical Education (M.P.Ed.)

#### Faculty Members’ details:
